EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 30 has been canceled.

Since the status of claim 30 was indicated as canceled in the amendment filed February 7, 2005, it was not indicated as a pending claim in the Final Rejection. Applicant has not made any remarks in the amendment filed May 16, 2005 that the non-pending status of claim 30 indicated in the Final Rejection was erroneous. The record of the file appears to indicate that the indicator for claim 30 as original in the After Final Amendment filed May 16, 2005 was an inadvertent error and should have been indicated as canceled.
